Marque Reserve Exxtra Anejo Rum™

Pronounced \märk\, it is named after the infamous Letters of Marque from the Golden Age of Piracy, a license for privateers to plunder and disrupt enemy naval vessels at the behest of foreign kings.

Taste Profile

Marque Reserve is a blend of rums from Barbados, Panama and the Dominican Republic. Our rum is unsweetened and unapologetic at 45% ABV. Each rum in this blend is aged at least 8-years in ex-bourbon barrels. It has a soft vanilla nose with a smoky, slightly sweet caramel palate and a seductively smooth finish. This masterly blended rum is right at home in an Old Fashioned or Manhattan. Marque Reserve will satisfy bourbon aficionados and rum connoisseurs alike.
